

AFFF MDL 2873: The Next Phase Will Be Defined by Your Data

As AFFF MDL 2873 moves into expert discovery and Daubert challenges, your case strategy will depend on the strength and consistency of your data. Verus supports mass tort firms with structured claimant intake, medical and exposure validation, and analytics aligned to expert review helping you reduce deficiencies, meet deadlines, and present defensible, well-organized claims as the litigation advances.

[Connect with Verus to discuss how we can support your AFFF docket and prepare your cases for the next phase.](#)
