What to Expect

The pivot to the new virtual platform allows for the same high caliber event consisting of panels populated with thought leaders from all perspectives and constituencies in asbestos litigation—leading plaintiff and defense attorneys, judges, insurance professionals, etc.

How Will the New Format Work?

The conference will be run on the ON24 platform- just click your attendee link, no dial-in necessary. You will have access to a vast range of timely content and leaders in the field of asbestos litigation – all from the comfort of your home office. The live stream conference works best on Chrome, Mozilla or Edge from a laptop or desktop computer. (Viewing from Internet Explorer or viewing on an iPad/Tablet may not provide the best attendee experience).

Virtual Networking

Chat with your peers, solution providers and speakers through the Group Chat.

Visit Virtual Exhibitor Booths for the Latest Product Solutions

The virtual exhibitor hall is where you'll find solution providers showcasing their products/services and are available in real-time to answer your questions. Exhibitors will also be giving demos of their products.

CLE/CE ADJUSTER CREDIT INFORMATION

This conference will be approved for approximately 6.0 CLE credits depending on the state. CLE Applications are being made to all states as requested by attendees. Please send requests for state specific accreditation to Cassie Yaticilla (cyaticilla@perrinconferences.com).
