

19 of the World's Top Asbestos and Mesothelioma Doctors Gather May 3-4, 2010 in Las Vegas

Perrin Conferences presents a rare gathering of 19 of the world's top doctors, researchers, and scientists at "A Conference on Asbestos and Mesothelioma," chaired by renowned doctors Samuel Hammar, MD and Victor L. Roggli, MD, and leading attorneys in their fields, Shepard A. Hoffman, Esq., The Hoffman Law Firm, Dallas, TX and defense attorney Robert A. Rich, Esq., Gordon & Rees, San Francisco, CA. This conference presents the unique opportunity to hear these esteemed experts deliver the latest findings and for attendees to advance their knowledge and gain invaluable perspectives on the most recent research data.

([PRWEB](#)) March 27, 2010 -- On May 3-4, 2010, Perrin Conferences presents "A Conference on Asbestos and Mesothelioma" at the Encore at Wynn Las Vegas. Bringing together a rare gathering of nineteen of the foremost National and International researchers and scientists to discuss Asbestos and Mesothelioma, including renowned Samuel Hammar, MD, Director of Diagnostic Specialty Laboratories, Bremerton, WA, and Victor L. Roggli, MD, Professor of Pathology, Duke University Medical Center, Durham, NC as co-chairs, this conference enables panelists to discuss the latest research and findings regarding clinical trials.

Adding the Asbestos litigation and Mass Tort perspectives, and co-chairing with Hammar and Roggli, the plaintiff and defense attorney views are represented by two of the leading attorneys in their fields, Shepard A. Hoffman, Esq., The Hoffman Law Firm, Dallas, TX and defense attorney Robert A. Rich, Esq., Gordon & Rees, San Francisco, CA.

This conference enables attendees to engage the faculty and researchers in in-depth discussions.
